

Miter Industrial Supplies Ltd

Supplier Sustainability Charter

Our Commitment

Miter Industrial Supplies Ltd is proud to have achieved a Gold Ecovadis rating and is dedicated to sustainability, health and safety and corporate social responsibility resilience. We expect our suppliers to share these values and actively contribute to a responsible supply chain.

1. ENVIRONMENTAL RESPONSIBILITY

- Reduce greenhouse gas emissions, energy use and waste
- Adopt circular economy practices; reuse, repair, recycle
- Comply with environmental laws and maintain certifications e.g. ISO 14001
- Provide evidence of environmental KPI's and continuous improvement

2. ETHICS & INTEGRITY

- Operate with honesty and fairness
- Prohibit bribery, corruption and conflicts of interest
- Safeguard data privacy and ensure whistleblowing protections

3. LABOUR & HUMAN RIGHTS

- Fair and transparent employment
- Compliant and safe working conditions and practices
- Guard against modern slavery and child labour
- Freely chosen employment
- Compliance with local wage laws

4. SUSTAINABLE PROCUREMENT

- Cascade these principles throughout the supply chain
- Conduct risk assessments and corrective actions
- Share sustainability performance data and certifications.

EVIDENCE & COLLABORATION

Suppliers must provide documented evidence of sustainability practices and agree to collaborate on improvement plans. Miter reserves the right to audit key suppliers. Together we can build a responsible, resilient and sustainable supply chain.
